## STARTLING NEW FEATURES OF A HI-LO TRAILER

THE TRAILER FEATURED ON T. V. PROGRAM "THE PRICE IS RIGHT."

Light enough to take you anywhere your car will go . . . yet big enough to be your home or hunting and fishing lodge in the wilds, mountains, parks or seashore . . . the Hi-Lo is the answer to your dreams of a traveling vacation.

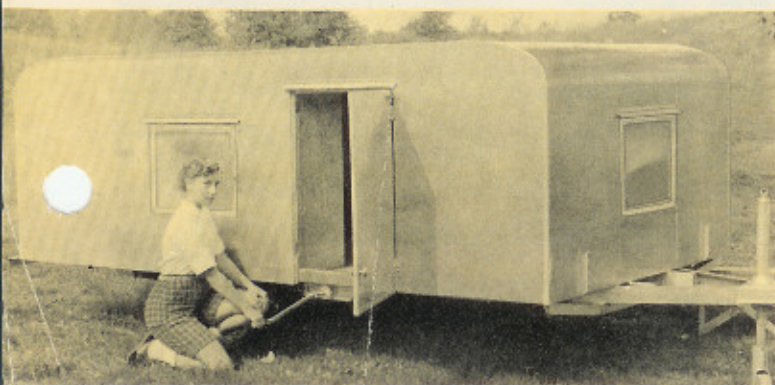

You'll thrill at the ease with which your car will pull a Hi-Lo trailer and when you're on the road you'll forget you're towing your home.

You'll discover a new world of vacations when you travel with a Hi-Lo trailer. No longer will vacations be cut short because of costly motel and cabins. And your traveling day is at your convenience because you no longer need to worry about getting a place to sleep.

All of these wonderful new features can be yours because a Hi-Lo trailer is "Roomier than you'd think at a price you can afford." Yes, the cost of a Hi-Lo trailer can be saved in one year . . . and every weekend can be a vacation.

- Hi for maximum roominess
- Lo for easier traveling
- Top telescopes over base to give you a full size living trailer
- When lowered for traveling convenience, the trailer is no higher than your car, eliminating wind resistance
- Yes, a Hi-Lo trailer is roomier than you'd think at a price you can afford
- Over fifty cubic feet of storage space with four storage cabinets
- Big dining area provides facilities for five to eat at the same time
- Interior of all-aluminum trailer is beautifully decorated with splatter coat paint, plastic table tops and durable inlay linoleum
- When you travel with a Hi-Lo trailer you forget you are towing your home
