

# *TowLite*

## Low Profile Towing . . . with Full-Size Livability

A very low profile fifth wheel that can be towed by a compact pick-up truck. This TowLite is constructed like conventional travel trailers and features an automatic 6 year warranted lift system that raises the top section in just 12 seconds with only a flip of a switch to reveal a wide open spacious interior that will amaze you when you step

inside. It has complete living quarters with galley, dinette and plenty of built-in storage and gives comfortable, secure living. Then again, with the flip of a switch, it lowers in 12 seconds for safe and easy low profile towing . . . and the most fuel efficient towing.

## 6 YEAR LIMITED WARRANTY ON LIFTING SYSTEM

TowLite warrants to the original purchaser that it will replace (through its authorized service centers) any part of your TowLite hydraulic lifting system (excluding the battery) which becomes broken or inoperative due to defects in material or workmanship within six years from date of original purchase. In addition, TowLite warrants that it will repair or replace (through its authorized service centers) any part of your TowLite travel trailer found defective due to defects in material or workmanship within 12 months from date of original purchase. (Components such as tires, running gear, power converter, battery, plumbing & electrical fixtures, refrigerator, range, etc. are subject to separate warranties issued by other manufacturers.)

When TowLite is "up for living" it has a spacious interior with plenty of storage space, beauty and comfort. When it is "down for travel" TowLite's low profile design reduces air drag up to 70% and can mean up to 64% savings in gasoline compared to regular upright trailers. The hydraulic lift system has been proven for over 27 years to be reliable and trouble free.
