

TowLite

LOW PROFILE • LIGHT
WEIGHT • LOW PRICE

A super-lite weight, very low profile telescoping traveling trailer at tent trailer prices. TowLite is constructed like a conventional travel trailer and features an automatic 6 year warranted hydraulic lift system that raises the top section with only the flip of a switch (in just 12 seconds) to reveal a wide open spacious interior with all solid

walls and ceilings. It has complete living quarters with galley, dinette and sleeping area for up to six people. It also has plenty of built in storage (with upper and lower cabinets) and gives comfortable, secure living (no canvas like tent trailers). Then again, with only the flip of a switch, it lowers in 12 seconds for safe and easy low profile towing.

A TRAVEL TRAILER AT TENT TRAILER PRICES

6 YEAR LIMITED WARRANTY ON LIFTING SYSTEM

TowLite warrants to the original purchaser that it will replace (through its authorized service centers) any part of your TowLite hydraulic lifting system (excluding the battery) which becomes broken or inoperative due to defects in material or workmanship within six years from date of original purchase. In addition, TowLite warrants that it will repair or replace (through its authorized service centers) any part of your TowLite travel trailer found defective due to defects in material or workmanship within 12 months from date of original purchase. (Components such as tires, running gear, power converter, battery, plumbing & electrical fixtures, refrigerator, range, etc. are subject to separate warranties issued by other manufacturers.)

When TowLite is "up for living" it has a spacious interior with plenty of storage space, beauty and comfort. When it is "down for travel" TowLite's low profile design reduces air drag up to 70% and can mean up to 64% savings in gasoline compared to regular upright trailers. The hydraulic lift system has been proven for over 27 years to be reliable and trouble free.
