

TURN CAMPING  
INTO AN ADVENTURE

# HI-LO

## FunChaser

SPACIOUS INTERIOR SLEEPS 4

Hi-Lo's innovative design provides a lower center of gravity, making a safer, more stable towing trailer. Hi-Lo puts that principle in motion with its **FunChaser model**, which allows you to bring along your motorcycles, ATV's or many other vacation enhancing toys. The spring assisted two piece rear door raises or lowers effortlessly, allowing you to drive right into the 88" x 120" garage. The top section then lowers in seconds with the flip of a switch, reducing air drag for improved fuel efficiency, and lowering the center of gravity for a safer, more stable ride; and at your destination it raises for comfortable living in only seconds. Hi-Lo's limited lifetime warranty on the lift system assures you of years of trouble free fun, and the safest, most fuel-efficient travel trailer money can buy.

### Aerodynamic Low Profile Sport Utility Trailer

# FunChaser Specifications

## Lifetime Limited Warranty on Lifting System

TowLite warrants to the original purchaser that it will repair or replace (through its authorized service centers) any part of your TowLite hydraulic lifting system (excluding the battery) which becomes broken or inoperative due to defects in material or workmanship. In addition, TowLite warrants that it will repair or replace (through its authorized service centers) any part of your TowLite travel trailer found defective due to defects in material or workmanship within 12 months from date of original purchase. (Components such as tires, running gear, power converter, battery, plumbing & electrical fixtures, refrigerator, range, etc. are subject to separate warranties issued by other manufacturers.)

Comfort, convenience and utility combine to make the 2901TT the smart choice for active families.
